

**“One of Connecticut’s  
great new layouts!”**

**-Publinks Golfer**

### **The Course**

*Open since Fall of 2004, the Mark Mungeam-designed championship layout features the finest cultivars of bent grass and presents five sets of tees for players of all abilities.*

*Delicately carved from the woods west of Naugatuck State Forest, the golf course promises to be one of Connecticut’s most impressive. Taking full advantage of more than 680 acres of natural beauty, breathtaking vistas, and ever-changing terrain, The Golf Club combines New England’s greatest resources with a neoclassical design.*

*Developed by the award-winning team of Cornish, Silva, and Mungeam, and professionally managed by nationally-acclaimed Billy Casper Golf – all of whom have extensive New England ties – The Golf Club grants players an extraordinary golfing experience.*

*The par-72 layout features bentgrass on the tees, fairways, and greens, and presents tees playing from 4,982 to 7,147 yards. Winding through pristine wooded areas, natural preserves, and open meadows, the course’s holes – none that are parallel – are fun, yet challenging*
